FEMALE CHANTING pop songs ,LIVE NATIVE FLUTE native \*modern mixed,Various moods,tribal dance, 12 MP3 Songs NEW AGE: Ambient, NEW AGE: New Age Details: angel- PROCEEDS FROM THIS ALBUM GO TO CALIFORNIA "SAVE THE SEA" support our oceans.. savethesea.org/index.html SEA" Its mixed modern pop tribal dance music,very drum oriented,songs (think "peter gabriel meets enya &me..lol Soothing&exciting to listen to..and it moves you emotionally Originally from canada.. angel\* had from a young age the "sixth sense" ANGEL \* is a female solo keyboardist succesful in pop music also! . Feeling a calling to the "flute" from a dream walk encounter..a donated handmade native american flute (tsunami flutes)by MAXIWAVE@yahoo.com. studying by a chance meeting with local native tribal members,she was allowed to "video" a private sacred ceremony! honouring the traditions,the northern tribal member's nicked named her "golden eagle" because of her energy force.. She has been working with a chief's son,learning sweatlodge ways,enviromental conservation.. Being in California was not planned(angel says) but coming from Canada,i WAS SURROUNDED by natural forests,an a early gift for second sight..which I use as a professional clairvoyiant has lead the path. I am here to share..please its all about keeping people together as a world ..as one tribe..saving the planet!
