progressive heavy metal with shredding guitars. 11 MP3 Songs METAL: 80's Metal, METAL: 90's Metal
Details: Edwin Dare has been characterized as a blend between Queensrche, Judas Priest and Dream Theater, but the truth is that the band just stands out as completely original. Lineup includes Jeff Kollman on Guitar, Tommy Kollman on drums, Kevin Chown on Bass, and fronted by the devistating Bryce Barnes on Vocals. The band spend the first half of the 90's touring the states with three releases The Unthinkable Deed, Cant Break Me, and My time To Die up until the now ten year hiatis which began in 95. Can't Break Me features heavy metal styled compositions. The diversity and musicianship on this release are just amazing and guitarists will have a hard time choosing their favorite solo -- there are a dozen to pick from. Tracks such as "Never Had Time" and "Don't Listen To Your Head" stand out with super choruses and massive riffs . Now including unreleased bonus track. Heavy Metal, total running time, 46:00
