

# Mp3 Heidi Jane - A Thousand Reasons Why

[DOWNLOAD HERE](#)

Well-orchestrated pop music with a pint of Guinness poured over it. Positive, upbeat and soulful. Suzanne Vega and (early) Peter Gabriel set sail on a sea of Irish fiddles. Taxi A&R writes: "Reminiscent of the joyful side of Paul Simon's catalog". 7 MP3 Songs in this album (29:31) ! Related styles: FOLK: Celtic Pop, ROCK: Folk Rock People who are interested in Suzanne Vega The Waterboys Paul Simon should consider this download. Details: Heidi Jane is an independent musician living in San Francisco. She has become known locally for her unique hybrid of fiddle-playing which infuses lilting Irish accents with African and Latin Rhythms and the rich, warm tone quality of her classical training. Her first (and now out-of-print) recording was her debut CD, The Cart Before The Horse!, a series of uniquely-arranged folk tunes which garnered national attention and was featured on National Public Radios Morning Edition. A Thousand Reasons Why is her follow-up CD, and also her debut as a vocalist and writer of folk-pop music. She hopes you enjoy it - Cheers!
