Refreshingly different. Equally accomplished on guitar and piano, Hilarys unique mixture of pop, jazz Celtic, folk, and rhythm and blues, and 4-octave vocal range, puts her in a class by herself. Don't miss this remarkable CD. 13 MP3 Songs POP: Folky Pop, FOLK: like Joni Details: Hilary Morgan refreshingly different! Unwilling to settle for one style of music, Hilarys unique mixture of jazz, pop, Celtic, folk, and rhythm and blues won her the 1999 Song of the Year in the Alaska Public Radio contest with a Celtic accapella piece, Come What May. Hilarys first CD, Follow Your Dreams captures her spirit of hopefulness and enthusiasm. This seasoned performer began her musical career singing on the streets of New York City. Determined to find out if people wanted to hear her original tunes, she perfected her performing and composing skills in the public eye before moving indoors. Hilary continued on to delight audiences at venues around the world -- from New York to Alaska; Australia to the Philippines. After 15 years in Anchorage, Alaska, Hilary recently re-located to Washington, DC.
