Melodic, Metaphysical, and Masterful. Fly with the faery as new aged Jazz grips your soul. 12 MP3 Songs
NEW AGE: New Age, JAZZ: Smooth Jazz Details: The CD Faery Ring is the Secod from J.T. O' Connor.
The first was Tone Poems...that sometimes rhyme, a masterwork in its own right... Faery Ring takes you
back to a time of epic adventure and a timeless innocence, never to be seen again, until we become
parents and see it through the eyes of those who are as we were: Children. The ability of a child to pass
between the frailty of this world, and the Fantasy of the next has long been longed after by the aged and
jaded. Faery Ring gives us a chance to relive those times in a grand fashion, afterall do you remember
when you could fly?
