Details: Change We Can Believe In was written by me on the plane ride home following the Presidential Inauguration of Barack Obama. I had just spent four fantastic days in the Washington, DC area with my family and the atmosphere was electric. The hope, the friendly smiles and well wishers from train rides, to busy streets, helped me visualize the America I had always dreamed about. Black, White, Brown and every color there could have been, walked the streets of a city, yearning for a change in the direction our country. I am proud of this song; it speaks to the personal responsibility that everyone should have. "If we want CHANGE WE CAN BELIEVE IN, then CHANGE, Must begin with ME and YOU". GOD Bless America, and may GOD bless each of you, Jarrett K. Williams
