Magical instrumental music inspired by the folklore of King Arthur, New Avalon is a soft, melodic trip from new times to olden tymes and back. 17 MP3 Songs NEW AGE: New Age, NEW AGE: Celtic New Age
Details: New Avalon was recorded 1985-1987 at Tranquility Studios in Pine Cove, California by Joey Latimer. The original album was available on cassette tape, distributed by Pyramid Distributors, and was popular at Frank and Suzanne Ferros Avalon Shop in Idyllwild, California. In all, several thousand copies of New Avalon were sold and are/were in existence somewhere. Fortunately, Steve Knox at Filmcor in Hollywood transferred the original 2-track master to DAT in 1988. The songs on this CD were taken from that DAT and transferred back into a computer for re-mastering. Special thanks to Frank Ferro, for coming up with the idea of putting New Avalon on CD. Also, thanks to Elaine, Erin, Cleo, Warren, Robin, Cedar, Jackson, Lee Miracle, Chris Ashby, Harold Taylor, Bob Bennett, Larry Dunlap, Joe Naspini, Wayne Johnston, Yamaha, Casio, Roland, Opcode Systems, MOTU, Idyllwild Arts, and everyone else who helped with the project.
