Contemporary country/folk with great lyrics and sense of fun as well as being catchy and very original in their evocative presentation. 13 MP3 Songs COUNTRY: Modern Country, FOLK: Folk-Rock Show all album songs: An Angel Somewhere Songs Details: John Ewbank is the original marathon man and still running. The songs keep coming so he keeps writing and it's not so much damn the torpedos as make love to them. He has spent his time thus far on the planet equally between three continents, and is currently living in New York City. He likes to quote Bukowski and say "it's easy to be a genius at 21; at 50 it takes some doing". The songs speak for themselves. Otherwise why bother calling them songs? Fun and entertainment here for the entire family, from the incestuous mother to the psychopathic younger son and the fashion obsessed older daughter, as well as granpa in the nuthouse and dad down at gay bar. Play it and rejoice. He was once an insane rock climber, now he's just insane.
