A whimsical and original songwriting style combined with a haunting and, at times, punk-like musicality makes for a striking collection of enchanting songs. Think OomPunk. 10 MP3 Songs in this album (37:18) ! Related styles: FOLK: Alternative Folk, COUNTRY: Alt-Country People who are interested in Iris DeMent Lucinda Williams Gogol Bordello should consider this download. Details: Her poetic lyrics, gentle finger picking style, and strong honest voice combine to give Kathleen Taylor a unique sound that should not be missed! After moving to the music capital of the world: Austin, Texas this longtime song-writing singer decided to start recording her original work. In 2007 she made her acoustic debut with "Songs for Mothra" which received widespread underground airplay across America, Europe, down under in New Zealand, and on several internet radio stations. Her new album: "Defy The World" finds Kathleen surrounded by a host of talented musicians that create an incredible, whimsical sound that will make you wear out your play button. Her lyrics are inspired by the natural wonders of her native Florida, favorite Romantic poets, and all the little creatures of the world- including the wee fairy folk. Think an Art Nouveau princess with a pair of brass knuckles. Once her songs crawl inside your head just try to not sing along!
