

Mp3 Lucy Mongrel - World: World Traditions

[DOWNLOAD HERE](#)

Weird junk-store world music. Shades of African, Cuban, Brazilian and Spanish rhythms in a quirky mix. Imagine David Byrne and Tom Waits smoking an estrogen patch. 14 MP3 Songs WORLD: World Traditions, POP: Quirky Details: Unusual, weird, ethnic, worldbeat. Shades of David Byrne and Frank Zappa. All this from a mysterious woman named Lucy Mongrel. You will hear African, Cuban, Brazilian and Spanish rhythms filter through the music of Lucy and her group of musicians. (Music which they choose to call Mongrel Music.) Come on and hang over the musical ledge and howl to the weird tunes written by the full moon. The musicians (including Lucy), performing on "Mongrel", have long musical histories, appearing with such notables as Elton John, The Rolling Stones, Nils Lofgren, Etta James, Brain Auger, Jimmy Page, The Kingsmen and Duke Ellington. Collectively they have been the recipients or nominated for over thirty musical awards! Calling all adventurous musical ears. You WILL love this CD. Recommended by CD Baby staff.
