Pop/Rock, ROCK: Acoustic Show all album songs: The Acoustic Album Songs Details: Life seems full of hopeless dreams, mainly because of the fear that drives us away from following them. The beautiful sight of witnessing the heartfelt pursuit of a dream inspires us all to long for more. Since the words of his first song scribbled on a notebook, Mark Wagner has truly followed the pull of his heart. Mark offers a lively and realistic look on life. Through his deep faith and strong foundation for truth in a world full of lies, Mark, in a calm and defined way, embodies the hurt, joy, hope, and mysteries of our lives. Maybe the stars fall into perfect alignment or the sun shines extra brighter when the feelings of his soul transfer to show-and-tell form for his listeners to come and see. Marks second solo project Long Way From Montana has enabled him to jumpstart his solo music career. Mark, filling the role as producer and engineer, brought together an array of talented musicians to fully express the music. For me the creativity involved with this record was my favorite part. Mark explains, I had the opportunity to pull together some of my favorite musicians and friends and turn the songs into something I could never have imagined while writing them. This record is a compilation of deep lyrics, soft acoustics, and full sound. Listening to one track causes you to throw your hands in the air and dance, while others may bring you to tears. The last year has been spent playing in cafes, bars, gymnasiums, camps, or anyplace with an audience to listen. Rocking a crowd with the full band rendition of Groovin or serenading them with a stripped down acoustic version of You Alone, Mark leaves an audience wanting more. Whether the crowd is 5 or 500, Marks natural vocals and smooth melodies draw them to his music. After the shows are over and the crowd disperses, the man left wrapping chords and carrying speakers understands that there is more to this life and more to share with his fans than his stylish good looks and witty sense of humor. You know a dear

friend once told me that its not about me, Mark states, and I hope my music offers something more to others.
