California Pop- This Southern California artist's rich, warm vocals are addicting. Best known for her film/vocal work for several Miramax/Disney films she is one of the few unsigned artists you will soon want to hear on the radio. Song #4 is worth the wait 5 MP3 Songs POP: California Pop, COUNTRY: Country Pop Details: This CD is the outcome of an adventure that began in my home state of California, meandered through the musical domain of Nashville, Tennessee, took me to the Emerald city of Seattle and also to the northern paradise of Vancouver, British Columbia. Along the way, I've been blessed to work with some of the greatest songwriters and musicians in country, pop and contemporary music and to sing in the legendary venues like the Bluebird Cafe in Nashville, the Hollywood Bowl, and the landmark Troubadour Club of Los Angeles. I have also had the good fortune to record songs with the Seattle and Vancouver Symphonies for four Disney films--Air Bud: Golden Receiver, Air Bud: World pup, The Duke, and M.V.P. The best part of the journey, though, has been the birth of my beautiful twins (I can't believe they're five now!). I hope you enjoy listening to these songs as much as I have had discovering and recording them. They are a part of my heart; they are my gift to you.
