Miss Amy rocks on this CD. Fun family music about invention, science and life for 3 generations. Richie Cole and Susan Watts join in the fun. 16 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: Sing-Along/Interactive Details: Miss Amy rocks out! A number of the tracks from this CD are part of her unique "Fitness Rock Roll" program, but wait there's more!! Included are a few cuts of Jazz legend Richie Cole and Klezmer great Susan Watts. The childrens music genre is a rapidly growing, but jazz and eclectic enthusiasts will also find unique opportunities to hear Richies voice on a call-and-response song, and Susans trumpet playing and singing on a fusion cut. Richie performed on: - Planetary Spin, a jazzy tour of our solar system with sax and vocals (only vocal recording of him in circulation), think blue-sax-playing-Muppet heckles Dinah Shore. - Nightlight - a tribute to Nicola Tessla, Thomas Edison and Ben Franklin, a bebop-bluesy-swing Susan performed on: - Degero, an original world-beat-Klezmer Song of the Seasons Altogether a great album for folks who want to get-up and move to the music!
