FOLK: Modern Folk, ROCK: Americana Details: SUPPORT YOUR LOCAL DAD TOUR 2005!!! "A fine listen by a fine musician." -- Music Liberation Project A few friends helped me make this album and should be duly noted. Tony Furtado, Banjo champion and slide guitar wizard applies his skills to a couple of tracks. Zac Brown, hands down one of my favorite songwriters rocks all kinds on some of the tracks. Jeff Saltzman, recorded, engineered, mixed and co-produced to whole bloody thing. My deepest gratitude to Jeff for helping me make the best I could with what little cash a family man has. Mo Phillips Biography: Born and bred in Denver, CO. Schooled in Portland, OR. Fell in love with a beautiful lady there, married her, and had a baby named Henry. Went to India a number of times around the turn of the century and wrote and recorded some crazy stuff. Been in all kinds of bands playing all kinds of music. Ridiculously tired of musical politics and the selling of music and self. I just want to write songs and play them for people, people. Is that so wrong?
