

## Mp3 Randy Rossilli, Jr. - Songs From My Backyard

[DOWNLOAD HERE](#)

A collection of songs for the whole family to enjoy. Richly orchestrated, with fun and clever lyrics, this CD is sure to become a family favorite. 12 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: General Children's Music Details: "Songs from My Backyard" contains twelve high quality, educational songs, for ages 2 - 6, developed to enrich a child's self esteem and multiple intelligences through a variety of heartfelt, upbeat, fun and catchy songs. "Say Hello" teaches a child how to say hello in a number of languages and "When I Grow Up" reminds children they can achieve or be anything. "5 Little Pigs" is a fun song to sing along to and "It's Alright To Be Different" reinforces that children should be proud of their unique qualities and differences. This fun, educationally stimulating, easy listening CD can be enjoyed in the car or at home. If you enjoy this CD, watch for the upcoming My Backyard television episodes on DVD, books and other products. A thirteen-year veteran in public education, Randy has vast experience with the development of innovative academic programs, including the development of magnet-style schools, alternative assessment programs, and technology-based instructional models. He has held the position of classroom teacher, building principal, subject supervisor and central office administrator. He brings this vast experience into the development of his music and upcoming television project - My Backyard. The creator and host of the upcoming series My Backyard, Randy is dedicated to producing material that supports and further expands the Nightstand Creations Inc.'s mission of developing properties that educate, inspire self-esteem and self-affirmation, and, of course, are fun.
