[DOWNLOAD HERE](#)

Contemporary smooth jazz, funky rhythms, melodic and fresh, featuring piano, synths, trumpet and Electronic Wind Instrument. 14 MP3 Songs JAZZ: Smooth Jazz, GOSPEL: Contemporary Gospel Details: Rodney Stepp, President of Brooks Street Music, is a native of Indianapolis and comes with a wealth of experience as the keyboardist and assistant musical director with the Spinners. He's back in Indianapolis and is putting his musical and international experience and his diverse musical resources at your disposal. Whether your market is close to home, national or reaching across the world, Brooks Street Music, founded in 1991, will pull its vast music network together to make your message one not to be forgotten. Rodney Stepp BSB (Brooks Street Band) have opened for major concert acts and have played venues in the Midwest including the world famous Cotton Club, Chicago, IL. They are now being introduced around the world with their CD entitled, "Steppin' Out." Stepp was recently a part of a documentary that is being together by Kenny "Babyface" Edmonds, (Tommy Henderson) for his film company. The documentary is concerning the demise of R&B Bands. The documentary does not have a completion or release date at this time.
