Acoustic folk rock soul 12 MP3 Songs FOLK: Folk-Rock, ROCK: Acoustic Show all album songs: Brighter Days Songs Details: As singer/songwriter, making it in the highly competitive music business would seem like a daunting task. But for 23 year old Ryan Sallis, this is just one of many obstacles he looks to conquer. Growing up with a not so lavish upbringing has taught him to appreciate the simple things and brought him to understand everything happens for a reason. With a love and passion for music in his blood, he looks to take on the music industry with his debut album, Brighter Days. His powerful blend of Acoustic/Folk Rock/Soul is marked by a soothing, yet dynamic voice. Add in his deep, creative, fluid lyricism and the final product makes for a scary success. Im just hoping to get my music out there for people to enjoy and hopefully relate to in some way. He notes. Ryan is currently working on booking a steady schedule of shows in the near future to promote his freshman release.
