Formed around 2004 in an effort to take it back to the fundamentals, Submission Impossible brings both the mental and the spiritual side of hip hop to light to combat the watered-down mainstream and commercial rap. Finding inspiration in all things, their messages range from motivating to build to finding peace in the most dire of situations, in which these emcees continue to prove their range. Emcees Nick Nyemah aka Lonestar and Vince Cruz aka Veckter met in college and developed their vibe through various musical ventures, most notably their hip hop/rock band, Stereotype. Together backed by DJ Ray Swift, longtime veteran and purveyor of the Boom Bap sound, they've gathered and refined their skills, intelligence, and outlook on life and eagerly bring it to the mic. Placing emphasis on the love, respect and thought in hip hop with DJ Ray Swift on cuts and production, Submission Impossible is poised to take control of your earspace.
