Described as "the future of music" by Alan Gorrie (Average White Band), The 9's are a blend 70's jazz-rock, 80's funk, and soaring stadium rock with a healthy dose of mind-bending musical intricacy pop shamelessness. 9 MP3 Songs in this album (32:15) ! Related styles: POP: with Live-band Production, URBAN/R&B: Funk People who are interested in Prince Steely Dan Frank Zappa should consider this download. Details: Telepathically tight rhythm section? Check. Screaming Hammond Organ? Check. Monster synthesizer leads? Check. A front man who's not afraid to say that, You don't really know a girl 'til you've seen her in a dress?" Check and mate. Though described as "the future of music" by Alan Gorrie (Average White Band), critics argue that The 9's are out of touch. But was there ever a time ripe for a hybrid of 70's jazz-rock, 80's funk, soaring stadium rock with a healthy dose of wink-and-a-nod thrown in? Maybe not. But for the five guys in The 9's, now is as good a time as any to restate their commitment to mindbending musical intricacy and pop shamelessness.
