

## Mp3 The Insiders - All Mixed Up

[DOWNLOAD HERE](#)

Something for every music lover here-sometimes it rocks, sometimes it's soft (there's even 1 country song.) Great songs you can sing along to. 14 MP3 Songs POP: Power Pop, POP: with Electronic Production Details: THE INSIDERS represent why all musicians get into music....to make music that THEY love, unbounded by record companies or managers. THE INSIDERS consists of Scott McGinley, a singer/songwriter/multi-instrumentalist, and his wife and musical partner Vicky Chen-McGinley (filled out with some help from musical friends). Their music runs a range of styles from power-pop to rock to r'n'b' tinged ballads (there's even 1 country rock song!). The thread of consistency is the strong songwriting and beautiful, creative musical arrangements. These are musicians that are fans of music, from Brain wilsons' pet sounds to the Eagles to the Bee Gees to current sounds like Sugar Ray, and Weezer....it's all represented here. Scott's successful past projects (see SCOTT MCGINLEY [AKA BLISS], NEW RELIGION, PoP Is ArT), and Vicky's beautiful voice, and acting and modeling roots have been experiences to lead them here....making music that will shower you with love!
