

## Mp3 Timmy Wells - Kids! We Are The Future

[DOWNLOAD HERE](#)

Through various styles of music, Children will: Learn to Spell Numbers, Colors, Days, Months, and Seasons. Discover Opposites, Money and their five senses. build their Self Esteem and Reinforce Conflict-Resolution Techniques 15 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Children's Pop Details: Timmy Wells (Tim Weller) presently teaches Pre-K through 5th grade music and choir at St. Rose Elementary School for the St. Charles Parish Public School System in Louisiana. He has been an educator for over 25 years and has taught in Orleans Parish for 10 years until he was wash away by Katrina. Timmy also performs professionally throughout the New Orleans area with his Variety Band, "Good Stuff" as well as "The Orange Band". The Orange Band is the childrens performance group that performs this original Music. Here are just a few of the comments made about this CD. "An Educational Grammy Winner" Shirley Stewart, Orleans Parish Schools "Unlike other children's music offerings that are intended for silly, playtime jams, Well's songs are educational.... Wells knows how to hold his audience well - he smartly mixes the arrangements between rock, reggae and rap not to create any attention span deficits. "Dan Willging - OffBeat Magazine Writer, New Orleans, LA. "My groups are crazy about your CD. It is easy to incorporate your songs into our existing programs that allow us to teach across the curriculum" shirley Stewart - Itinerate Music specialist.
