Listening to this CD will put you in the raw south Louisiana blues scene. 11 MP3 Songs BLUES: Funky Blues, BLUES: Electric Blues Details: "WES The Power Trio" is "Louisiana Blues" Every audience that sees them leaves with an experience to remember. Their music blends the free roaming technology of the millenium with a creative mix of classic rock, rock, R B, traditional contemporary blues, reggae and funk styles. The electricity Ron Wesley (bass/vocal), Vc (guitar/vocal) and Paul Benko (drums/vocal) transmit is felt by everyone in the audience. The original appeal of the group needs no translation as they excite audiences world wide with their music. This ability to burst onto stage and take control of their audiences in any country comes with the unique blend of musical experiences each member brings with them. These three guys are bound together with the common thread that Ron, Vc and Paul has each been successfully brought up in the rigorous no nonsense "school" of their south Louisiana music scene. Their technical proficiency and ability to perform has allowed them to share the stage with Johnny Winters, James Cotton, David Bromberg, Tab Benoit and Lonnie Brooks.
