His music is from the street. Self produced, self promoted, writer, composer, artist bringing new dimensions to the game of hip-hop. CEO of Slapass Records SAG Incorporated. External notes represents a full course meal, not just a taste of the diverse sounds of S. With cameo appearances from up and coming artists in the Venice area, this collection is the essential description of the streets, brought to you directly from the streets to the internet. Best known for his gangster style, still loved in the hood. This album is available in full for digital download from iTunes here: phobos.apple.com/WebObjects/MZStore.woa/wa/viewAlbum?playlistId=17453111 About the tracks ----- 1. 77.7 Radio Intro: What's hot and what's not? The radio station playin only the SAG corporated hits. Callers speak with the DJ about it all. 2. Who I'm: Sometimes you need to be reminded Who I'm. This song does just that over a hard hittin beat, with some rapid fire lyrics. 3. Don't Know About Tha Westside: We're not talking about THAT westside, we're speakin on the far west areas like 90291. All your questions are answered here over a funky gangsta beat. T-bird puts down verse two with a smooth flow that is impossible to match in the game. 4. Money, Hoes, And Dodo: You know how we do. This track introduces Cap(puccino) and female rapper Koya. 5. Youngsta To a Man: The story of S from a youngsta to today. This is as personal as it gets, with a message for the youngstas of today. 6. Gotta Get Out: Introducing Ms Vick who pleads with S "don't go". Kick back, smoke tough, listen to the story as it's told. 7. Infatuated: Infatuated with what money brings. We don't play with gold diggin hoes, all haters better stay away. 8. Fast Cars: This is how we roll. Seat belt danglin, hater stranglin. With the heat on my lap. (Please note: Slapass records recommends you always wear your

seat belt, especially if you are riding with S-Crazy) 9. No Matter What: All options result in the same. If it's chess not checkers, all moves result in checkmate. If you play with us, you'll lose, no matter what. 10. Dust a Buster: We're not talking about dusting for prints. Everyone'll know who committed the crime, if you're a buster you'll be short on time. This is just S dustin' some busters over a banging track. 11. On The Block ft The Twins: Introducing the Twins. All I want is success in the game, 54 carat chain, diamond ring, crew about 13. I know what I'm about to do, I'm gonna hit the block. 12. Don't Lie: Niggas, bitches, even the president be lying. S is simply blowin up some liars spots. You ain't got to lie to kick it. 13. Checkie-checkie: The one and only pimp Checkie-check. Hold up! This only 500 dollars ho! Whatchu think I'm gonna do with 500 dollars? Go turn another trick and bring me a thousand more. 14. Hit That Pussy: S get's explicit over an original beat with a Too Short feel to it. What you tryin to do nigga? We from Venice not Oakland. 15. Off The Wall: This is what we do. Gangsta ass beat with a gangsta ass story.
