Second Chance Profits Second Chance Profits deploys an unblockable pop up survey whenever someone leaves your site without buying or opting in to your list. It has been tested to work in any browser, and is 100 unblockable by any popup blocker available. The first time I used an exit survey on one of my sites, the feedback I received after just

one hour was worth GOLD! I plugged it into one of my free membership sites, and in less than one hour I had two people leave comments that they didnt join the site because they couldnt afford it. I was SHOCKED! I thought it was clear the offer was free, obviously not. I looked over the site again, made a few adjustments and my opt-in rate skyrocketed instantly! I dread to think how much subscribers and profits I would be leaving on the table had I not made those changes. What Second Chance Profits told me in just one hour, would have taken months using split testing software, not to mention the thousands of dollars in profit I would have missed out on... Dont get me wrong, Im not saying split testing is dead, or that you shouldnt do it, you should. But nothing can give you results as quickly as this unblockable exit survey system. Combine this with a split testing solution and you would instantly become one of the most efficient testers in internet marketing.
