Patrick Califia's meticulously researched history of transsexuality combines well thought-out chronology with Califia's hallmark candor and insight. Writing about both male-to-female and female-to-male transsexuals, Califia examines the lives of transgender pioneers like Christine Jorgensen, Jan Morris, Rene Richards, and Mark Rees; partners of transgendered people like Minnie Bruce Pratt; and contemporary transgender activists like Leslie Feinberg and Kate Bornstein. Includes new writing by the author reflecting changes in the transsexual community in the five years since publication of the first edition, as well as his own decision to transition to a female-to-male transsexual identity.
