Lucy McTavish has loved Daniel Brown since they were children, and he returned her feelings from the very first. His home, a farm in the English countryside, was a refuge from her unhappy childhood, his heart a shelter for her own. Daniel said they'd always be together but that's a promise he's unable to keep....Angry and grieving, Lucy goes to London and prepares to move on with her life. But Daniel is never far from her thoughts. Then one morning she meets a stranger in the park. The connection between them is immediate and powerful, and in the days that follow, Lucy knows Daniel has kept his promise after all.
