I'm sure you know that affiliate marketing is one of the most popular ways to make money online, it has and probably always be. Personally I've done it for almost 10 years and it did well for me. Being that it's such a popular route to earn online, it means there is a huge market of hungry buyers who need to know more about affiliate marketing and those who want to do it better. I can tell you for a fact that there are so many new people coming on these days and mos tof them don't have an idea how it all works and how they can create their own income. They are in need of information that will help them find success. There is also a large group of affiliate marketers that are not making the income they want, and need. Here is your opportunity to profit while providing solid and usable information that will help those that are new and those that are struggling to earn a living. All the while your promoting related products and services and earning yourself. As you know there are so many products and services you could promote on this site. From digital products such as ebooks, to services such as search engine optimization, backlinks, web site design, ect. Best yet is that the affiliate marketing niche covers so many other markets. Affiliate marketers

need traffic, SEO, websites, advanced strategies and so much more. You won't run out of items to promote any time soon. You'll be getting a pre-loaded website with 20 quality text affiliate marketing posts already built-in to the site for you. The site comes with a custom magazine style theme and layout to give you the professional appearance that will also help build trust with your site's visitors. Building trust could mean even more sales, better conversions and traffic to your website. Your new Affiliate Marketing website categories include: Affiliate Marketing Affiliate Marketing Basics Affiliate Marketing Tips Featured Money Making Tips Online Marketing How you'll profit from this site: Clickbank ads built right in to the site, a total of 4 that show on every page. It's very simple and only takes a few minutes to add your own ID, so you get credit for every sale the site makes. AdSense ad spots already built into the site for you. Simply add your ad code and you're getting paid every time your visitors click on the ad links. Of course it's your site, so you can change or add to it all you'd like. Add your own money making advertisements, your own products, it's totally up to you. Even add AdSense ads to profit from high paying clicks in the Affiliate Marketing niche. Your new website comes with the following Features: Social bookmarking built-in make it easy for your visitors to post your webpages to Facebook, Google+, Pinterest, Twitter, StumbleUpon, Squidoo and more. You can even set up the social buttons you want with a load to choose from, over 80 in total, covering just about every popular social network. Tracking your traffic with Google Analytics so you know exactly what people are doing on your site. You'll also know where they are coming from and other important aspects, like where people are going on your site, what pages they are coming in on, etc. Search Engine friendly URL's so you stand a much better chance of getting your web pages ranked and getting some precious search engine traffic. Content is pre-loaded into the site already. You can change or edit the content any way you see fit and add to it all you'd like. Video Posts built right into the site, related affiliate marketing Video's from youtube. These video's are embedded right into your site's pages, so you won't be sending your hard-earned traffic away. This also gives your site visitors a reason to visit your site and spend some time. Video pages built-in include the following: Affiliate Marketing Video's Niche Marketing Videos All necessary plug-ins are included, from spam protection to a contact form. Google Site map feature so the search engines will easily find all the pages on your new website and give you a better chance of ranking well. Built-in Privacy Policy page which is getting important with places like Google. It's done and there for you. It's so EASY for you to use... The site runs on the Wordpress website platform (all files are included, Version 3.4.1), so you know it's super easy to maintain, edit, change, use

and add new content. It's just a matter of point, click and type. Once installed (complete install instructions are included), you will have full control over the site, which means you can change or edit the site anyway you want. For most people it's a 20 minute installation. You do need to supply your own domain name and hosting, other than that, everything else is included, including all the website files, everything you need.
