Crimson Prey Aubrey Ross Loved the characters, the heat and the thought of an enthralling hero sinking his teeth into your neck in Crimson Thrall? Then get set for more passion, more intensity and a bigger bite! Six centuries have passed since a treacherous enemy wrested Antonio's love from his bed. He was outmatched and overpowered before, but nothing will keep him from claiming Serafina now-not even Serafina herself. Wild with hunger and a soul-deep longing, he declares a Bride Hunt, an ancient ritual most vampires abandoned centuries before. Serafina endured a loveless marriage for the sake of her sisters. Now her husband's death has freed her to think of her own happiness. Before she can decide how to flex her independence, she's being hunted by a domineering, if utterly desirable, vampire bent on binding her soul to his. Antonio awakens sensations and ignites responses she never experienced with her husband, but is physical pleasure reason enough to spend eternity at his side?
