

Dna: Foundations Of The Faith - Damon A Horton

[DOWNLOAD HERE](#)

DNA: Foundations of the Faith is written with the urbanreader in mind. Through the use of familiar concepts and illustrations, D.A. Horton offers an invitation to dig into the Scriptures and learn foundational truths that believers in Christ need to know as they live on mission in our world today. Written in a workbook style, readers will explore key scriptures and record all that is discovered as each person is equipped to live out the truths they learn. Whether attending ReachLife Institute, studying with a small group or going through this workbook alone, lives will be enriched as the study of these foundational truths are learned and applied to life.
