part of the lyrics (someone asked) Mexico... Well we looked down the river till we seed the British come
There must have been a hundred of them beatin on the drum They stepped so high and we heard the
people sing well we stood beside our cotton bales and never said a thing We fired our guns and the
British kept a-comin There wasnt as many as there was a while ago We fired once more and they began
to runnin All down the Mississippi to the Gulf of Mexico.
