"All the tracks fit together beautifully into a tapestry of Smooth Jazz and Latin music..." - Denise Poole, SmoothVibes- Perfect with a fine wine, elegant/casual dinner party or just relaxing in your car. 9 MP3 Songs JAZZ: Smooth Jazz, LATIN: Flamenco Details: Bryan has opened for some of the top recording artists in the Smooth Jazz genre and is gaining a headlining reputation of his own at major Jazz festivals. He is a guitarist with a unique view of music - yes he has created his own style of Jazz, POP and Latin influences, but his goal is to create something that the listener can really enjoy in the car, on the deck with a bottle of wine or as background music to a classy party. Recently endorsed by the Godin Guitar company, this fingerstyle player has just released "Acoustic Vineyard". This album captures the style and mass appeal of Smooth Jazz and the romantic upbeat flavor of Latin Flamenco guitar. The first shipment of the CD was SOLD OUT at the Smooth Jazz At Sunset Festival, where Bryan opened for superstar Richard Elliot! But, we've made more....
