Hilson should consider this download. Details: Chanmia was born in Boston, MA. She is the oldest of two,

she has a young brother that is an inspired Rapper Dancer as well. Under the guidance of her Mom

Step Pops, they were determined to see a broader change in their living situation, So they decided to

relocate around the surrounding Philadelphia area. This is where Chanmias musical journey began. As a

child Chanmia was born and raised around music all of her thirteen years. With holding on to the legacy

of her grand father who was part of a local Boston group titled: Ronnie and the Emotions, this hit group

toured all around the world. She has been through hardships and daring true struggles within life.

Growing up Chanmia knew she had the love for singing/dancing and being in front of the camera

performing. At the age of three she would play dress up and turn her radio on and start began to pretend

like she was performing in front of a live audience. Chanmia did her first stage play entitled: Innocent

Lives at the tender age of four. The beginning of beauty has sparked another future star to rise for the

future to come. Chanmia has the knowledge of Tap Dancing, Jazz and Ballet. The Best is just a Hit away!
