jazz licks a blue song and spits it at the folk 12 MP3 Songs FOLK: like Ani, FOLK: Folk Blues Details: As the The Spectrum (University of Buffalo newspaper) writes, Colin "skillfully blends a soulful acoustic guitar with sassy vocals and a funk-step baseline to create a unique folk sound." Colin represents a perfectly balanced songwriter, as each of her songs displays her fluid technical skill, sublime melodic sensitivity, and ability to convey organic emotion. She has captivated audiences along the East Coast with her relaxed, yet confident stage presence and her refreshingly diverse repertoire of songs, which range from sexy, invitingly swaying tunes of love to sharply percussive documentation of her frustrations within her personal life in the world around her.
