the most bad-ass of the unmarketable 9 MP3 Songs ROCK: Instrumental Rock, JAZZ: Acid Jazz Details:
"On Project Mayhem, Color and Talea mix up styles old and new in the name of group improvisation. It's a potent blend." -Eli Wolf, Director of A&R, Blue Note Records "...a sublimely chaotic blend of synthesized funk and hyper jazz, with a splash of electronic effects. Buonpane's masterful and edgy alto-sax, Das' funky bass riffs, and Sturtevant's lightning-fast drumming swirl together to create a truly frenzied concoction." -Northeast Performer April 2005 "Ear-catching and mind-bending, C&T rips it up on their new CD." -Sean Hoess, Owner/Manager, Velour Recordings selected #1 Jazz Album on WUML 91.5FM -April 2005
