

Mp3 D-Lerium & Faze - Critics

[DOWNLOAD HERE](#)

A very diverse dance music CD including: breakbeat, progressive breaks, vocals, and high energy. 15 MP3 Songs ELECTRONIC: Breakbeat/Breaks, ELECTRONIC: Dance Show all album songs: Critics Songs Details: D-Lerium Faze have no doubt put breakbeat back on the minds of music lovers all over the USA. With over 20 tracks released, DNF quickly became a household name in the breakbeat culture. Forming the label Oven Fresh Records, as well as bringing back one of the scenes founding labels, Knight Life Recordings, DNF has emerged as one of the top breakbeat duos around. Since hitting the breakbeat scene together in 2005, DNF have released 9 records and over 20 digital releases. In 2007 alone they have had 3 tracks reach the top 25 on beatports breakbeat chart. Upcoming projects include tracks with artists like Audiophreakz, Agent K Bella, Fixx, C-Vaughn, and Curtis B just to name a few. For now, their attention will be focused on the release of their second CD titled Critics. With a full winter show schedule, new CD, and countless more releases. DNF will be sure to carry the breakbeat momentum into 2008.
