Details: Danna Banana is a kids singer/songwriter that kids really like! Recently named New York Magazines Best Party Entertainer of 2005, he was a member of BMIs renowned Lehman Engel Musical Theater Workshop, hes written for Disney and Nickelodeon and is a John Lennon Songwriting Contest Grand Prize Winner for a song from his first album, Bananappeal. But kids dont care about that! He wears silly hats. He does funny dances. He can sing the alphabet backwards. He calls it music for kids that parents can stand, and he encourages everybody to join in. Suddenly Summer, Danna Banana's latest CD is a funny, playful CD about all things summer with clever kid-oriented lyrics and toe-tapping tunes. His last cd, Daddy-O!, was a Parenting Magazine Pick of the Month and a Family Fun Magazine Best Bet. Hes won raves everywhere from the NY Post to the LA Times. He performs and teaches music in the New York area. Hes got 3 kids of his own, so he knows his subject. He just cant get them to simmer down!
