The five faceted ministry was created for preaching. We need to close the gap in the christian hip hop industry from ministry to raw music." Das the Insider has closed the margin between content rich lyrics and radio friendly sound. Born and raised in the Midwest, Das the Insider aka Bobby Crank now resides in the beautiful city of Tampa, Florida. He has taken music back to the essence, even faith based Hip Hop! Often the trend is to preach yet Das the Insider has been able to accomplish portraying a powerful message without just "preaching" to masses over music.
