

Mp3 Dave Wells - Legacy

[DOWNLOAD HERE](#)

Contemporary folk with rock/jazz/blues influences in moods ranging from pensive to humorous. Lyrics with passion and intellectual depth. 13 MP3 Songs FOLK: Modern Folk, FOLK: Folk-Rock Details: Dave Wells is a veteran songwriter who has mastered his craft in a wide spectrum of musical styles. The moods of the songs in this collection range from whimsical (Scuffy) to romantic (Cowboy), reflective (The Flowers), and even angry (The Eliot Ness Waltz), but every mood is tempered by empathy for both his subjects and his audience. His carefully crafted lyrics make every word pull its own weight, and his unique perspectives offer fresh insight into the common universal themes of love, loss, and the search for fulfillment. Several accomplished instrumentalists provide tasteful accompaniment to highlight the subtlety of Dave's chord structures and give each track a strong identity that makes for a memorable listening experience.
