A eclectic style based on no-one in particular just me and mine. 15 MP3 Songs in this album (57:09) !

Related styles: EASY LISTENING: Easy Pop, POP: 60's Pop People who are interested in John Lennon Cat Stevens Jimmy Nail should consider this download. Details: Here's another great set of songs that me and my friend Ralph have written just for your pleasure. Again they are written and performed in my own inimitable style and produced, after great heartache and blood sweat and tears, for you to listen to and hopefully enjoy. The songs range from soft rock, acoustic to pop/country and even thrown a bit of disco on Dance with me just to see if I could do something different. Some of these songs have worked out great, some may need more than one listen to appreciate them but in time they will grow on you, I promise. Thanks for dropping by and may I wish you luck in what you ever do.
