Country love songs featuring April Lewis, and Janay! 12 MP3 Songs in this album (50:04) ! Related styles: COUNTRY: Country Folk, EASY LISTENING: Ballads Details: Hey Folks, I live in East Texas. I have been writing songs since I was a kid. I got away from it for a while but the past couple of years Ive started writing a lot more. Im at a point now Im just enjoying it and I would like to share my songs with others. Its a great feeling to hear a finished song with musicians and other singers. I just set out on my porch and write these songs with my guitar. I think its pretty cool to hear what they become. It is an honor to have these two ladies, April Lewis and Janay singing with me. They seem to make my songs come alive. April has opened for George Jones. I believe she has an unlimited future ahead of her. Janay has one of the strongest voices Ive ever heard. She is a beautiful lady and co-wrote Fairy Tales and Fools. It was her story. If you would like to know more about me or either of these ladies, please contact me. We would love to hear from you. Thanks again for listening and I hope you enjoy my songs.
