Combines electro-beats and synthesizers with classic pop songwriting to create a brew of musical perplexity that pairs perfectly with his post-modern lyricism. 14 MP3 Songs ELECTRONIC: Synthpop, ELECTRONIC: Experimental Details: The Electric Grandmother is a one-man musical-goodness machine. The inventor of the genre Sitcom-Core, EG has established himself as a favorite smart alec of Columbus, Ohio. Musically, EG combines electro-beats and synthesizers with classic pop songwriting to create a brew of musical perplexity that pairs perfectly with his post-modern lyricism. The live show is a chaotic multi-media extravaganza, with his wife/live band member Mary Alice! handling live visual projection. To see EG perform is to participate in his performance, as you are drawn in by his slightly off-kilter sound and friendly sense of nostalgia. The title of his 2007 album, The Stenographer, references a selective memory that has retained countless bits of significant, as well as insignificant, instances in his life and the lives of others. People who are interested in The Dead Milkmen Atom and His Package Ween should consider this download.
