Abbasubi Abbasubi es una palabra inventada por mi mam quien la ha usado por ms de treinta aos con sus hijos y nietos para divertirlos y sorprenderlos, y as alejarlos de alguna travesura. Es este espiritu de juego el que queremos fomentar entre adultos y nios. Esperamos que todo lo que hacemos en Abbasubi invite a las familias a cantar, bailar, leer y divertirse juntos. Abbasubi is a word invented by my mother who has used it for over thirty years with her children and grandchildren to amuse and surprise them away from mischief. It is this spirit of playfulness that we hope to encourage between adults and the children they love. We hope that everything we do at Abbasubi will help families sing together, dance together, read together, and be silly

together. Charles Mister
