Run a bath, throw in a radio which is playing Tom Waits who just happens to be the illegitimate child of Alex Harvey. Bring gently to the boil. Do it in a 1930s Berlin cabaret. You have Gustav Bertha. Step in. 10 MP3 Songs ROCK: Emo, EASY LISTENING: Mood Music Details: Hello you lovely browser! This is my CD your looking at. It took ages of dedication, tons of cigars and gallons of coffee to make it. I am now permanently awake and wheezing like an accordion with a hole in the bellows. But here it is, for all to see. I hope you like it. Anyway back to the next one... Cheers, Gustav.
