Children's music that blends a variety of styles and genres (including rock, pop, funk, blues and jazz). 13 MP3 Songs KIDS/FAMILY: Educational, POP: Beatles-pop Details: In the past two years Nick Deysher of In The Nick of Time has moved from Boston Massachusetts to Coconut Grove Florida, launched his new business, In The Nick of Time Music, attained a Masters Degree in studio music production and film scoring, and put together what stands to be this years hottest album for listeners 1-100 years old. Coconut Groove is truly Music For All, Big and Small! Over the course of his seven-year career as a music educator, Nick Deysher has developed a catalog of music that spans the decades and the globe. Parents will love the classic sounds and influences of such greats as The Beatles, Bob Marley, Sly and the Family Stone, Paul Simon, Dandy Livingstone and Woody Guthrie. Children will love the catchy rhythms, humorous lyrics, and sweet melodies. Educators will love the science math and self-esteem concepts which are conveyed in each song. On Coconut Groove, Nick Deysher was able to realize a dream, and include many new musicians and production techniques on this, his third album of childrens music. A cast of 12 talented musicians joined Nick including classmates and faculty at the University of Miami, members of his family, and other assorted revelers to fill out the sound.
