Dreamy, experimental pop from Portland, OR. 11 MP3 Songs in this album (44:03) ! Related styles: POP: Dream Pop, POP: Noise Pop People who are interested in Air Kate Bush My Bloody Valentine should consider this download. Details: Interiors is fresh mix of intoxicating sounds that flows from the club to the freeway to the bedroom headphones. Interiors is inventing its own exciting new hybrid genre of music. Interiors' debut CD is entitled "Darkness, Can You Save Our Dying Planet?" The album is a cry that we must all change our lives in order to save the future of life on our planet. Global climate change and the rising tide of global war loom over these songs, which still manage to exude a sense of mystery, wonder, and hope. Playing live, Interiors is a kaleidoscopic and symphonic sound experience. They combine symphonic instruments and electronic technology to create intoxicating waves of sound. There is no other band which so deftly combines raw energy with delicate emotion, experimental sound-scapes with pop hooks.
