A new and different style of rock with a unique sound that can not be classified yet... 6 MP3 Songs
ROCK: Progressive Rock, POP: Power Pop Details: This project Heaven Hell "it's free" can't be put into one category of music. It has a very different and unique sound. I know it would sound way cooler with a T.E.A.M of musical talents recorded in a real pro-studio. Instead it's all me. This is just 3 songs, 6 tracks from many songs I wrote when I was 16-20 yrs old and never got the chance to record in my youth because of family that didn't support my talents. Just grow up and work, work and pay the bills is all they believed. My influences were LYNYRD SKYNYRD, DEF LEPPARD, DIO, QUEENSRYCHE and all the great bands of the 80's 90's. Well 26 yrs later I managed to save a little extra cash and bought a Roland VS2000 and a Shure mic and came across a crossroad in my life and met the greatest most talented guys in Grand Rapids, MI while working that changed my life forever. Tarvis Kelly CO-STAR, Ralph Anderson I-khan, Gene Anderson RUPTURE, and Daniel Anderson HOSTILE who helped me realize it's never too late to follow your dreams. So I did just that putting to rest my pains and regrets, by finally recording 3 songs from the past and pressing it. And now so far selling over 10,000 copies of this demo on the streets with my sales team at colleges nationwide. A good start of a small dream come true. Take into consideration this project was recorded in 1 day in a hotel room 4th of July 2004. During that same week we recorded a COMPILATION album together called ALTERNATIVE LIFE STYLE'S which has sold over 40,000 copies nationwide the same way and is also available here on CDBABY.com. You should check it out when you get a chance, it's hot stuff!. We're all working on new full length solo albums right now. I trashed all my old stuff and started a new creative process with much better hard deep rock, new age, alternative original unique educational, and inspiring, abstract tunes. You should really enjoy this new stuff coming soon. Videos and air play is next from all of us so keep an eye out. Because I thank GOD for

my lifes crossroads ,UP's DOWNS now.I'd like to end this BIO with a positive message. REACH FOR THE STARS INSIDE YOU,THERES NO ESCAPE. THE ECHO OF YOUR HEART REMINDS YOU,YOU HOLD YOUR FATE!!!!!!SO FOLLOW YOUR DREAMS. JEFRO
