Passionate with a deep spiritual and meditative quality using rich orchestrations combining solos, duets and powerful harmony. 12 MP3 Songs GOSPEL: Contemporary Gospel Details: For the last 17 years..I have been involved in music ministry. I have been inspired by the work of Mother Teresa, who spent her life feeding the hungry, clothing the poor and sheltering the homeless. I was inspired from her writings to call our musical group CHRISM. She stated she received a special Chrism from God which was a clear call to begin her ministry with the poor. Chrism means anointed and represents a Holy calling from God. Where our work begins is within the body of Christ. I hear the call to feed the spiritually poor who are struggling with their faith, as well as inspiring all Gods people to seek a personal and life giving relationship with Jesus Christ, our Savior and Lord. I hope the message within the music helps others to reach out for Christs love and His transforming grace. I will praise Gods name in song and glorify Him with thanksgiving. Psalm 69:30-31 For my part, I began working with the mentally ill. That led to working in the jails. The result was a 25 year career in the field of probation and law enforcement. I spent brief periods working with the sick and dying in hospitals as well as the mentally challenged and severely handicapped. You might say I have seen things that most people dont want to see. I have been where most people dont want to go. Finally after all these years I have taken all of my feelings and emotions and directed them into one powerful message. I am communicating to the world a testimony of my beliefs. I am witnessing to the love of Christ, as Healer and Savior. After all..I have seen Him in action. For God so loved the world that He gave His one and only son that whoever believes in Him shall not perish, but have eternal life. John 3:16 I believe that I have been called to stand in the path of the young and old, the lost and the broken, those who wander in the world, looking for love and acceptance and bring the love of Christ to them. The message in my music will inspire you to see God and the infinite love He has for you.

It will remind you that we are not alone in our joys and sorrows. It will give you the courage to reconnect to all people believing in the goodness that God has given us to share with each other through Jesus Christ. Finally I will share my joy from knowing and following Him. I thank Him for all things. God Bless You.. John Grassadonia 10017 Rhone River Drive Elk Grove, CA 95624 johngrassadonia.com
