Acoustically driven folk-rock music your heart will enjoy. 10 MP3 Songs FOLK: Modern Folk, POP:

Delicate Details: My name is Jordan west and I grew up in a town named abbotsford BC. As a young kid, i travelled quite a lot with my family and lived all over Canada. I began to play music at 17 years old and very much enjoyed it. I recorded my first CD at 20 years old and a second CD is in the works. I spent a few months living in Winnipeg spending all of my days and nights writing and playing music. A lot of my inspiration came from time that I spent in the intercity of Winnipeg hanging out with a lot of people who were down and out. I have toured with Jacob and Lily in Western Canada two times and have played numerous shows otherwise. I hope you thoroughly enjoy the music and other such good things.
