Electronic blue-eyed soul 8 MP3 Songs ELECTRONIC: Dance, ELECTRONIC: Disco Details: Joshua has found his voice in his new album, Brighter Day. The album has a strong vibe of Techno, Soul, R&B, Jazz, Synthesizer, Pop and even some Disco, resulting in a unique sound all his own. Joshua blends so many genres that you cant really classify the sound, but you immediately connect with the emotion. The album starts off with Dance Floor, an upbeat urban dance track, and moves you right into Enemy, a torn love song of sorts. Touch My Body, definitely the most sensual track, makes you want to do just that. The title track, Brighter Day, is about the vulnerable search for refuge in anothers arms. Joshua has a way of melding all of these genres into one smooth, clean, sexy sound that will bring you closer to expressing your own emotional world.
