Acoustic slide guitar blues with vocal. Recorded live straight to 2 track. Original compositions. Hailed by Mark Knopfler, Clapton and many other established UK pros. 12 MP3 Songs BLUES: Acoustic Blues, BLUES: Blues Vocals Details: Kevin Brown is one of Europe's premier slide players. He is also a fine singer songwriter who draws much of his inspiration from blues and country roots. He is the most respected slide guitar player in the UK and was chosen by Mark Knopfler to play guitar during recent recording sessions. He has made 3 albums for Rykodisc/Hannibal and is now promoting his new album recorded straight to stereo 'Mojave Dust' This record has confirmed Kevins supremacy at the top of the tree in the field of acoustic slide guitar blues. It is raw, spine chilling and trully organic, you are right there in the room with him. Kirk L'orange webmaster of the net based slide guitar web ring, claims Kevin is right up there with the best. Planet Dobro the leading slide based web site not only hails Kevins slide playing but claims he writes 'killer songs'. His recent collaboration with master kora player 'Moussa Kouyate' has resulted in an outstanding series of recordings to be released in the spring 2002. Within moments of hearing this artist you know that you are in for a very joyous 40 minutes. The UK based 'The Guitar Magazine' states quite simply that Kevin leaves other slide players 'Standing in his Dust'. Mark Knopfler has said 'he offers far more than your average slide player' Kevin is set to become the talk of the slide fraternity, hear for yourself, buy this CD
